**NATIONAL COMMODITY & DERIVATIVES EXCHANGE LIMITED**

Circular to all trading and clearing members of the Exchange

Circular No. : NCDEX/TECHNOLOGY-002/2019

Date : January 28, 2019

Subject : Rescheduling of Mock Trading (Contingency Drill) planned on 02-Feb-2019

---

This is with reference to Exchange Circular No. NCDEX/TECHNOLOGY-015/2016/125 dated May 31, 2016 regarding "Testing of software used in or related to Trading and Risk Management" and Circular No. NCDEX/TECHNOLOGY-067/2018 dated December 24, 2018, regarding "Contingency Drill / Mock Trading schedule for 2019".

**Members are requested to note that the Mock Trading (Contingency Drill) which was planned on February 02, 2019 will now be held on February 16, 2019.**

The Mock Trading session on **Saturday, February 16, 2019** will be as per the schedule below:

Date	Saturday, February 16, 2019
Pre-open	08:45 AM - 09:00 AM
Session for Non-Global & Global commodities	09:00 AM – 01:00 PM
Trade modification time for non-global & global	01:00 PM – 01:15 PM
Re-login session	03:30 PM – 04:00 PM

**The Mock trading session will include the following:**

- Testing any changes in the CTCL/ALGO softwares.
- Tick by Tick (TBT) broadcast testing.

Kindly refer **Annexure A** for primary site connection details.

Members using third party CTCL software of empanelled vendors or in-house developed systems can use this opportunity to test their respective trading application during mock trading session for various functionalities.

Members using approved algorithmic software are required to adhere to circular NCDEX/TECHNOLOGY-015/2016/125 dated May 31, 2016, for mandatory participation in mock trading

---

session, irrespective of whether their algorithm have undergone a change or not. Members are requested to note that trades resulting from this session shall not attract any obligation in terms of funds and commodities pay-in / pay-out.

Members are requested to participate actively in the mock trading session from all trading software and re-login into live environment to check the connectivity and to avoid any login issues on **Monday, February 18, 2019**.

**Tick By Tick (TBT) broadcast testing**

Tick by Tick Trading Market Data for Derivatives segment will be available to members. They can test Tick by Tick (TBT) broadcast by connecting to the TBT gateway through a separate MPLS/P2P connection. Members are requested to use TBT compliant software for connecting to the TBT gateway. However kindly note that in the event of actual disaster the P2P link may not be available to members.

For and on behalf of

**National Commodity & Derivatives Exchange Limited**

Nitin Desai

Vice President - Technology
