

Don'ts of Investing:

- Do not share password (internet account) with anyone. It is like sharing your safe key
- Do not transfer Securities to your Stock Broker for the purpose of margin. They remain in your account only and you need to only pledge them to your Stock Broker through the pledge mechanism.
- Do not transfer funds/securities, for the purposes of trading to anyone other than a registered stock broker or Depository Participants with SEBI.
- Don't ignore any emails/SMSs received with regards to trades done by you from the Exchange. Verify the same with the Contract notes/Statement of accounts received from your broker and report discrepancy, if any, to your broker in writing immediately and if the stock broker does not respond, with the Exchange/Depositories.
- Do not keep funds / securities / commodities idle with the Stock Broker.
- Do not fall prey to fraudsters sending emails and SMSs luring to trade in stocks/ Securities promising huge profits.
