

NATIONAL COMMODITY & DERIVATIVES EXCHANGE LIMITED

Circular to all trading and clearing members of the ExchangeCircular No.: NCDEX/TECHNOLOGY-028/2020Date: July 15, 2020Subject: Nextra - Mandatory Configuration Rollout

Members are requested to note that in order to facilitate ease of operations at Members end for Nextra Terminals, the Exchange is planning to roll out new configuration files for the NEXTRA Trader workstation, Nextra_online_trade_backup and Nextra_file_uploader. With the new configuration file changes, the Members will now no longer need to select the environment at the time of login to these front ends.

Members shall be able to download the new configuration files for NEXTRA Trader Workstation, Nextra_online_trade_backup and Nextra_file_uploader from Extranet on **Friday**, **July 17**, **2020**, **9:30 p.m. onwards**. Members are requested to go through **Annexure** '**A**' for detailed locations and instructions to replace the NEXTRA configuration files.

Members will get an opportunity to test NEXTRA using the new configuration files in the mock trading session scheduled on **Saturday**, **July 18**, **2020** for Options on Goods. Kindly refer to circular number NCDEX/TECHNOLOGY-027/2020 for more details on the mock.

Members are requested to note that the Exchange is planning to Go-Live with the new configuration file changes from **Monday**, **July 20**, **2020**. It is therefore **MANDATORY for all members using NEXTRA** to participate in the mock scheduled on **Saturday**, **July 18**, **2020** to ensure that they are able to connect and trade seamlessly with the new configs.

Members will NOT be able to trade from NEXTRA over the Internet using old configuration files from Monday, July 20, 2020

For and on behalf of **National Commodity & Derivatives Exchange Limited**

Nitin Desai

Vice President – Technology
